## tailor-made well-being

In a space where everything has been designed for your well-being, the grand confort headrest cushions and our new range of accessories for rear passengers guarantee a first-class journey.

beige grand confort cushion on rear headrest  
also exists in black  
rear portable storage compartment armrest

The rear black headrest cushions combine Alcantara in the supporting area and perforated textured coated fabric on the sides. The materials and top-stitching accentuate the refined design and provide optimum comfort.

## organised space

In the tray position, the multifunction organiser makes it easy to use your digital tablet. Thanks to its mottled grey colour, top-stitching and new Renault logo, every detail has been carefully considered to add a touch of on-board design.

multifunction organiser on front seat

The multifunction organiser has a number of clever places to store all of your everyday items.

While travelling, place your jacket on the removable hanger attached to the back of your seat. Using a simple set of clips, replace the hanger with the aviation tray, which is big enough to accommodate a book, smartphone and a water bottle, stored in the cup holder.
