#R5CHARGE

Simple as R5: various cables and accessories make it easier to charge at home, at work or on the go. Your electric life has never been this intuitive.

EVERYDAY CHARGING

Completely waterproof and easy to install, this boot foldable storage compartment will be your best ally for storing the charging cable. When not in use, it folds away completely to free up the entire boot.

foldable storage compartment for charging cable

Take advantage of the flexicharger cable that can be used with a reinforced domestic socket, and/or occasionally the domestic cable adapted for use with standard sockets. The type 2 charging cable, for long journeys, is used with public and domestic charging stations.

cable for domestic socket, cable for reinforced domestic socket and cable for charging stations

With its bi-directional charging capabilities, Renault 5 can become a power source. With the power-to-object adapter (V2L bidirectional charging)⁽¹⁾⁽²⁾, you can use the energy stored in the vehicle battery to power your electrical devices (bicycle, scooter, etc.).

#TR5NSPORT

Renault 5 is the ideal companion for your leisure activities. With its special towbar, it can carry or tow your bikes or equipment in the best possible conditions.

TAKE WHATEVER YOU LIKE WITH YOU

Tow a trailer with a capacity of 500 kg, carry a bicycle rack or various items of equipment safely. The tool-free removable towbar preserves your vehicle's aesthetic: once the ball has been removed the towbar is almost invisible.

**Take care of your Renault 5 by
opting for interior and exterior
protection accessories.**

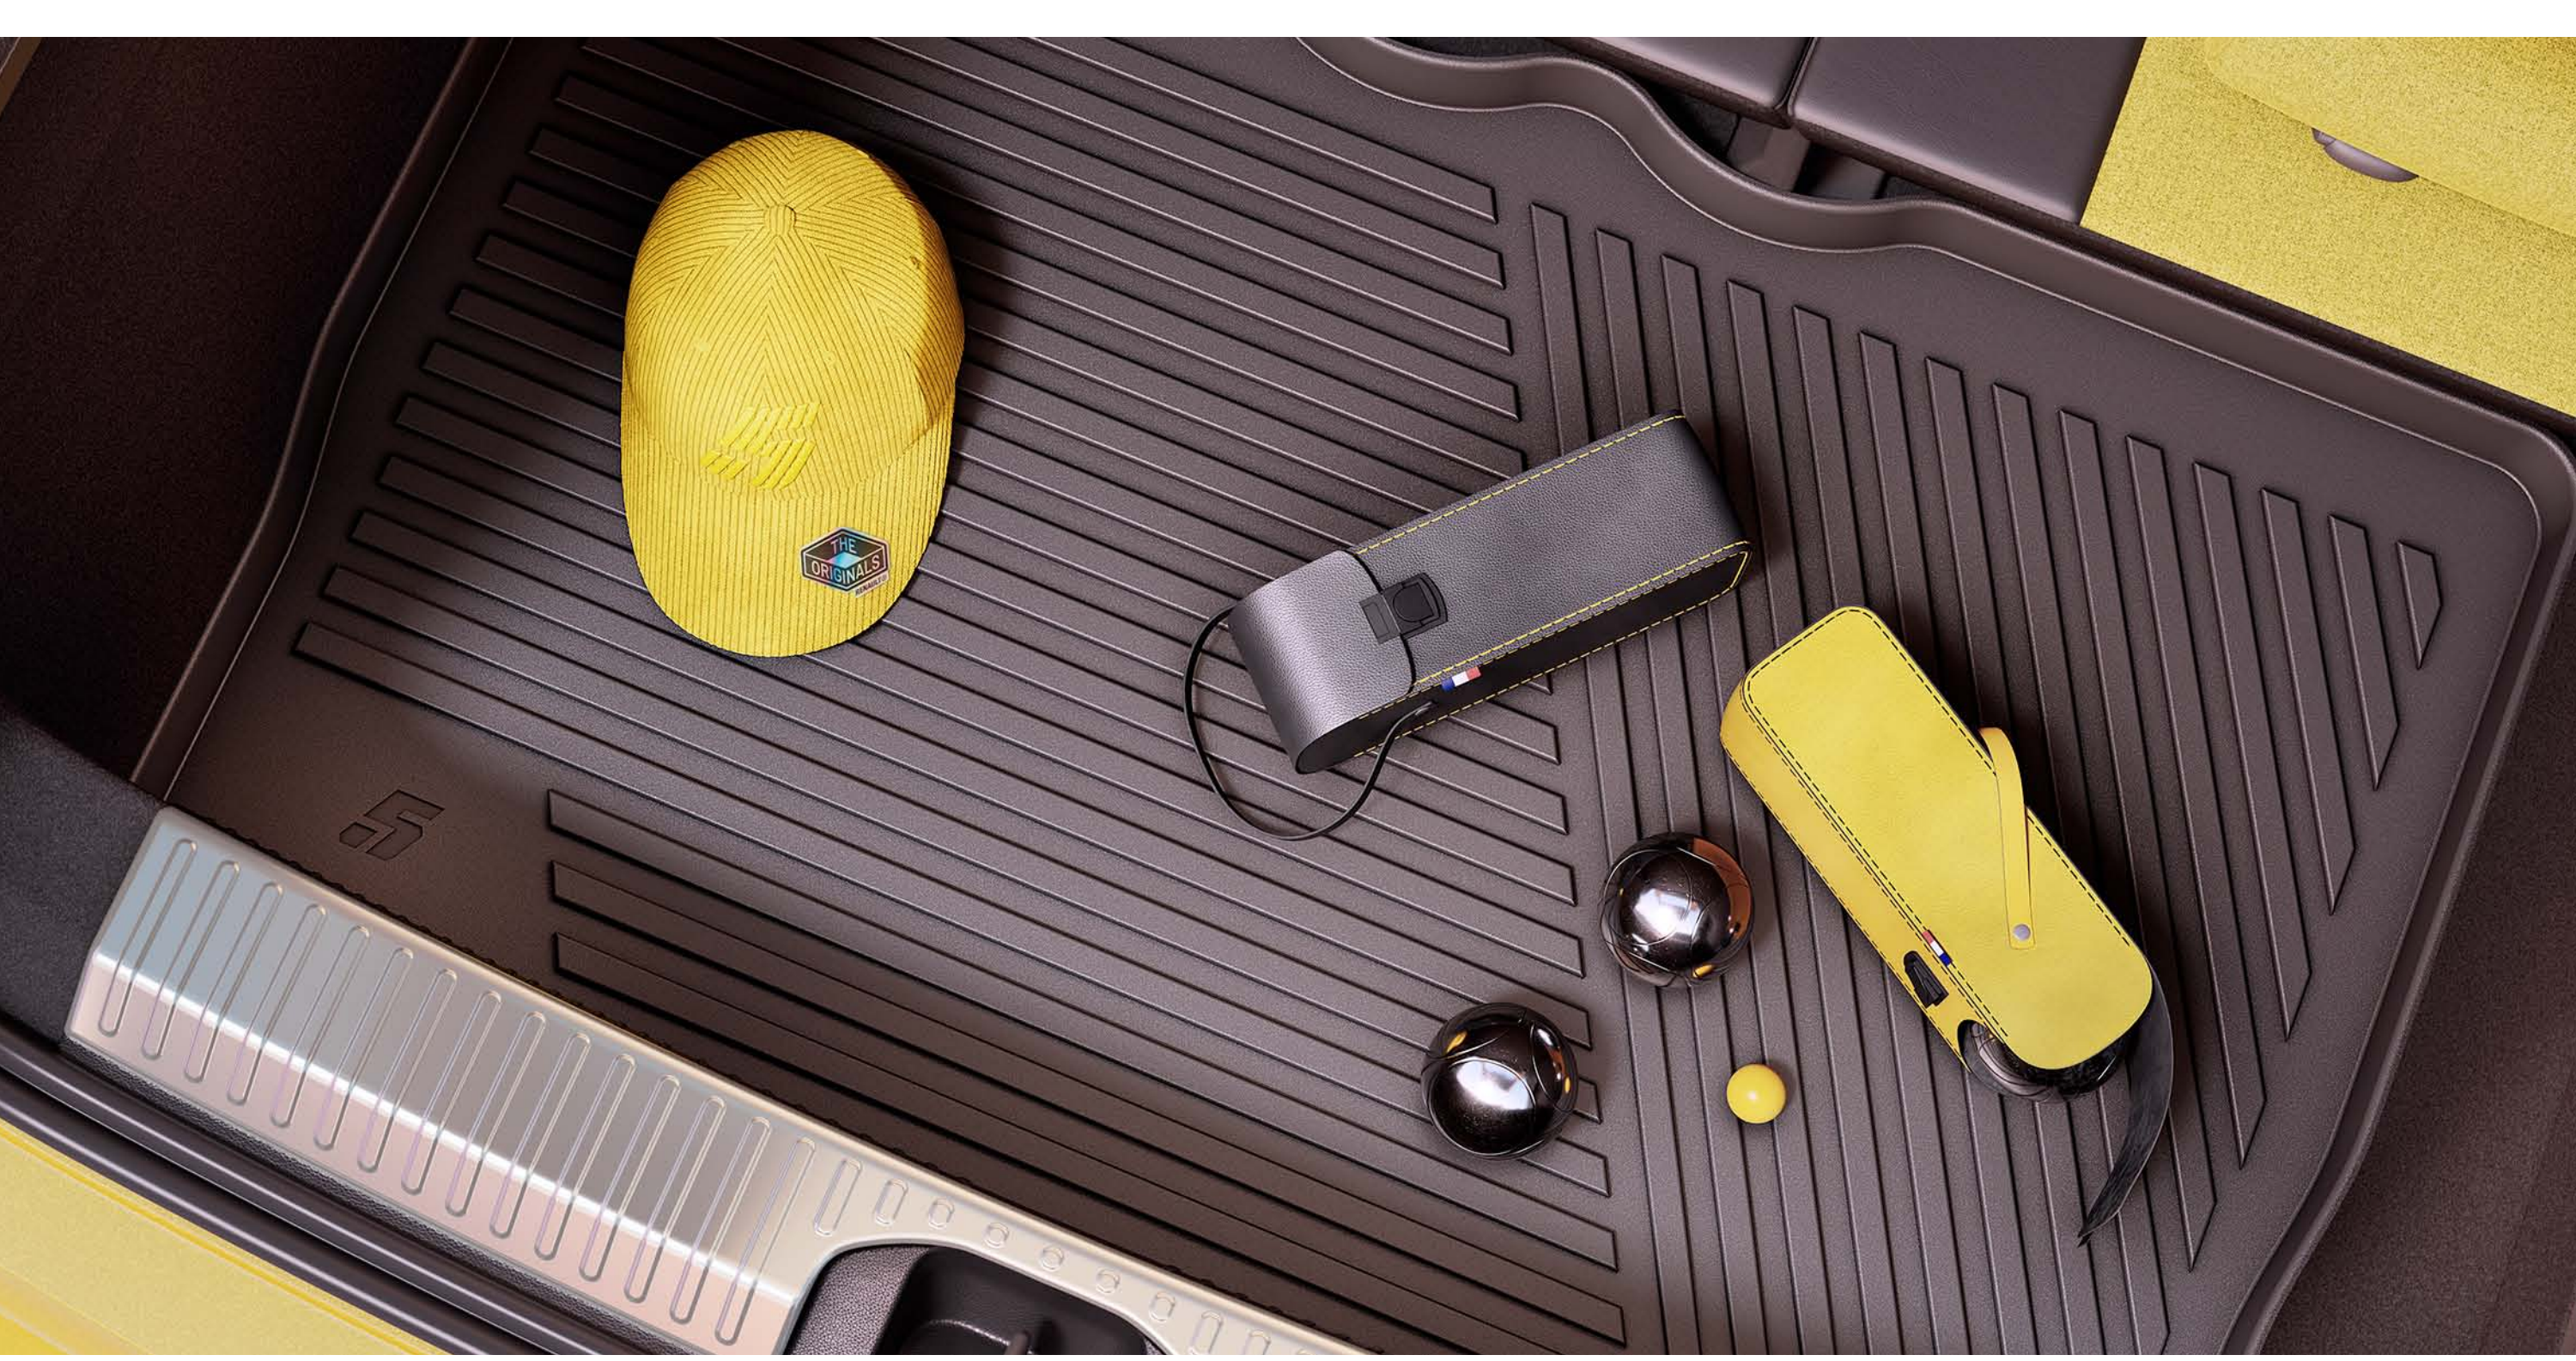

INTERNAL PROTECTION

The soft pop-yellow cover⁽¹⁾ featuring the iconic "5" effectively protects the bodywork from scratches and dust.

yellow "5" protective indoor cover for bodywork⁽¹⁾

The innovative reversible trunk liner with the "5" logo has two different sides. The textile surface is for use with your luggage, while the rubber side is for your dirty objects.

reversible trunk liner and trunk sill

The easyflex boot protection, which is non-slip and waterproof, effectively protects the loading area. It folds out and adapts to the position of the rear seats, even when folded down.

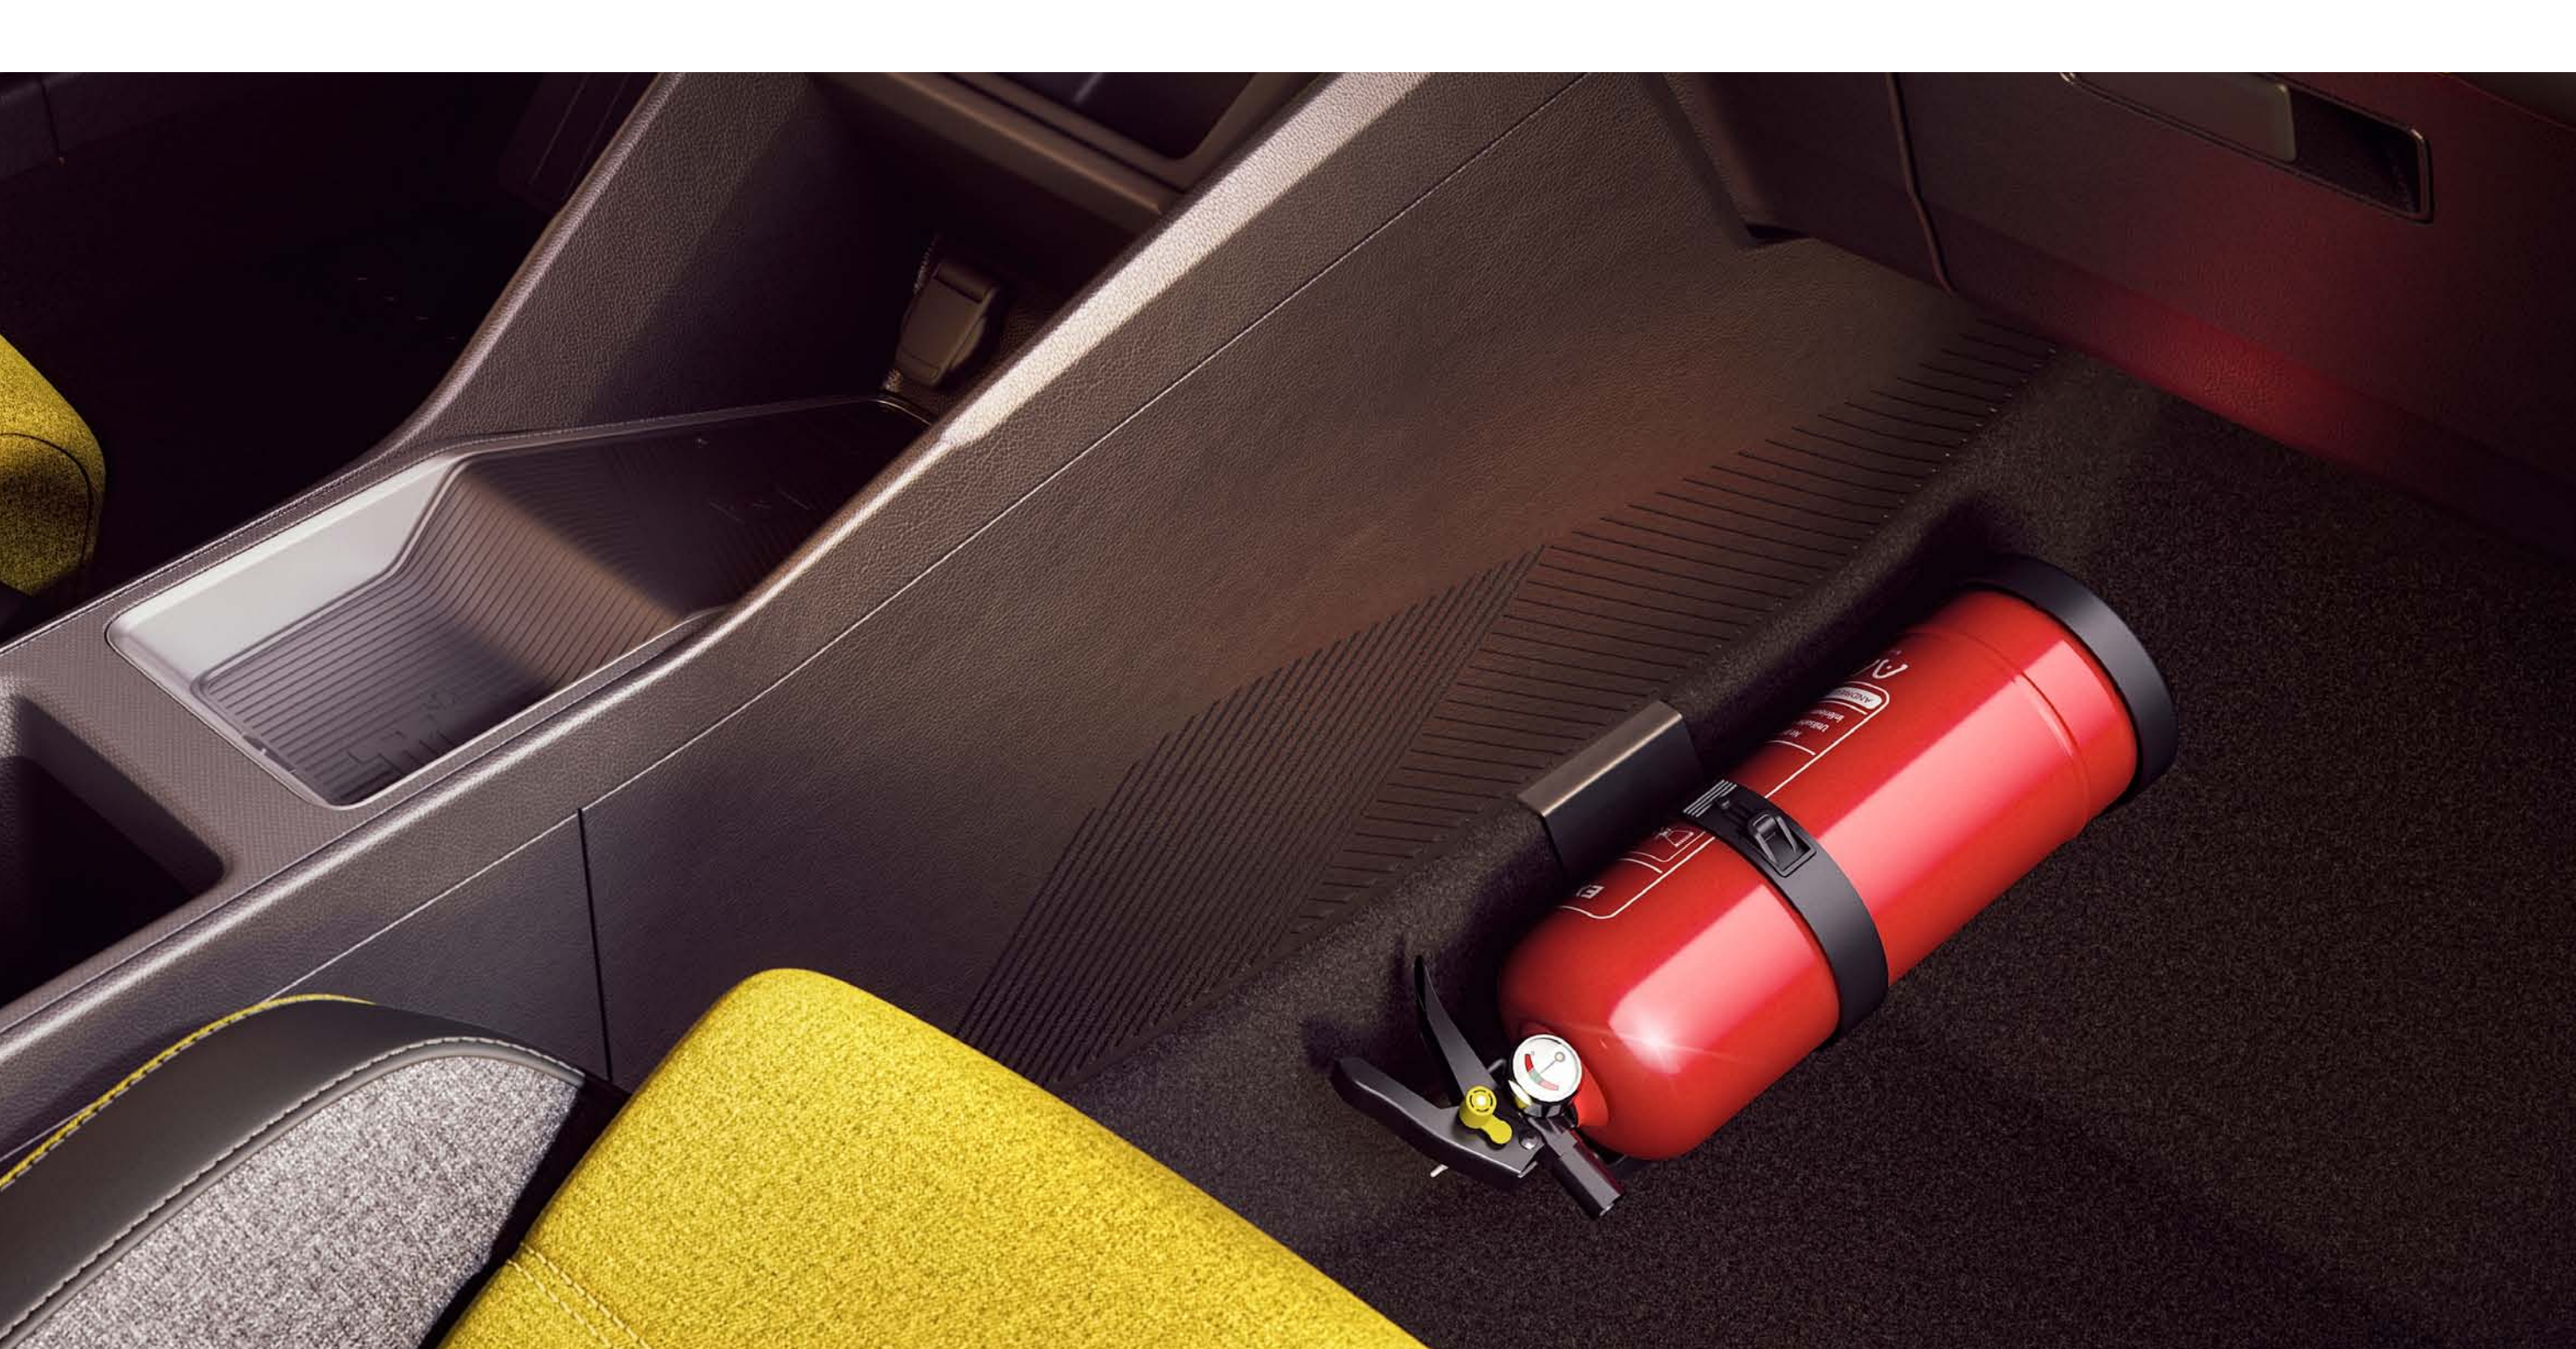

easyflex modular boot protection

High-edged floor mats protect and preserve your interior. Made of waterproof rubber, they make it easy to clean.
